

Data protection information for visitors to our XING page

We, the WIKUS-Sägenfabrik Wilhelm H.Kullmann GmbH & Co. KG, Melsunger Straße 30, 34286 Spangenberg, Germany, phone number: +49 5663 5000, E-Mail-address: info@wikus.com, set out below how we process your data via our XING page. Should you have any questions relating to data protection, our data protection officer would be happy to respond at wikus@dsb-moers.de. Further contact details can be found at www.dsb-moers.de.

We use our XING page to provide information about our company, our products and services, combined with the opportunity for users to interact directly with us. The legal basis for data processing is Art. 6 (1) (f) GDPR. Our legitimate interest is in particular our business interest in sharing information with our users and being able to communicate with them.

Before we publish pictures of people, we ask for your consent (legal basis: Art. 6 para. 1 lit. a GDPR), or we make a written contractual agreement with you (legal basis: Art. 6 para. 1 lit. b GDPR). In exceptional cases, we may publish pictures based on our legitimate interest for making information about our company available (legal basis: Art. 6 para. 1 lit. f GDPR).

To operate the XING page, we are supported by service companies that are separately obligated to maintain confidentiality and data protection.

We process personal data ourselves via our XING account; at the same time, data processing is carried out by New Work SE. The legal basis for the comment function is consent pursuant to Art. 6 (1) (a) GDPR.

Duration of data storage and deletion

Your data is stored for the duration of the processing of your request. Usually, the data is forwarded to the designated channels outside of XING. The data is checked regularly in XING by our social media team and deleted when the purpose expires.

Data processing by XING

When you visit our Xing page, XING uses cookies to collect personal user data. XING may also collect such data from visitors who are not logged in or registered with XING.

Information on what data is processed by New Work SE and for what purposes it is used can be found in XING's privacy policy: <https://privacy.xing.com/en/your-privacy>

You also have the option of requesting information via the XING data protection form or the archive requests: www.XING.com/settings/privacy/data/disclosure

It cannot be ruled out that user data may be processed on systems outside the European Union. XING has undertaken to comply with the data protection standards of the EU. Data will only be transferred to systems outside the EU if the requirements of Art. 44 et seq. GDPR are complied with. You can find out more at: <https://privacy.xing.com/en/privacy-policy/who-may-receive-information-about-you/third-countries>

Data will only be passed on to authorities if there are overriding legal provisions.

Usage of your data by us

We receive anonymous statistics on the usage and use of the website based on our contract with New Work SE as well as legitimate interest of New Work SE. Following information will be provided:

- Follower: Number of people following us - including increases and development over a defined time frame.
- Range: Number of people who see a specific post and number of interactions on a specific post. This allows us to determine, for example, which content is better accepted by the community than others.
- Advertising performance: That shows how many people were reached or interacted with a post or paid ad.

We use these statistics, from which we cannot identify individual users, to constantly improve our online offering on XING and to better respond to the interests of our users. We cannot link the statistical data with the profile data of our users. You can choose the form in which targeted advertising is displayed to you via your XING settings.

We receive personal data via XING if you communicate this to us actively via a personal message on XING (e.g., via a possible chat function). We use your data (e.g., first name, surname) to respond to your request in our customer service.

Furthermore, we also receive personal data via XING if you use a form with pre-filled fields with data from your profile to submit the data to us and send the data to us actively by clicking on a button.

Your right to information, rectification, erasure, object and data portability

You may exercise your right to information, rectification and erasure of data at any time. To do so, please contact us using the contact details provided above. If you request data erasure but we are still legally obliged to retain it, access to your data will be restricted (blocked). The same applies to an objection. You can exercise your right to data portability, provided that the technical means are available at the recipient and at our company.

In case you want to assert your rights against XING, we will forward your request to XING. Further information on how you can assert or implement your data subject rights directly against XING can be found at: <https://privacy.xing.com/en/privacy-policy/what-rights-can-you-assert>

Right to lodge a complaint

You have the right to lodge a complaint with a data protection supervisory authority at any time.

Profiling

Profiling is not applied by us within the framework of this processing.

Currency of and changes to this privacy policy

We reserve the right to change the content of this privacy policy at any time, typically in response to the further development or modification of the services we use. You can always view the latest version of the privacy policy on our website.
