

Covid-19: WIKUS is still at your service

Spangenberg, 20 March 2020:

Even in the current situation, WIKUS is completely capable of managing the entire WIKUS Group throughout the world from the head office in Spangenberg, of performing all the essential functions and of structuring the necessary processes so that we can continue to reliably supply you with our precision band saw blades.

The WIKUS administrative team is currently working from home, in order to protect themselves, their families and you as our business partners.

You can still reach us via the usual telephone numbers and e-mail addresses. If possible, please [contact](#) us by e-mail or by telephone to guarantee quick response times.

Thank you for your understanding in these extraordinary times.

Talk to us. We are still here to help you and to deal with the issues requiring attention.

About WIKUS

WIKUS – TOP OF THE RANGE QUALITY, 'MADE IN GERMANY'

WIKUS is the world market leader for sawing metal and Europe's largest manufacturer of band saw blades. Users from foundries and from the steel production/trade, machine/tool construction, aerospace, automotive, construction, energy and many more industries rely on the highly-efficient solutions by WIKUS.

Thanks to the best input materials, state-of-the-art production procedures and continuous quality inspections, the WIKUS-Sägenfabrik from the town of Spangenberg in North Hesse has guaranteed the highest of standards when producing high-tech band saw blades since 1958. At the same time, this family-run company sets product and technology trends in the market with its innovative prowess. In addition to the high-performance product program, WIKUS offers an extensive range of services tailored to the respective product. Partner companies and sales and service companies across the world offer competent and personal support on site.
