

## Coronavirus – Home Office at WIKUS

**Spangenberg, 20 March 2020: Due to the current situation, the team in the administration building WI.com will be working from home, starting on Monday, 23 March 2020.**

You can still contact us via the telephone numbers and e-mail addresses you know.

We can only process incoming post and fax to a limited extent. To ensure that no information is lost, we ask you to contact us mainly by e-mail.

With this arrangement we ensure the maintenance of the administrative processes in the company to be able to manage the company worldwide and maintain production as best as possible.

We thank you for your understanding during this unusual time for all of us.

If you have any questions, please feel free to contact us at any time. We will of course continue to be here for you and the issues to be dealt with.

### **About WIKUS**

**WIKUS – TOP OF THE RANGE QUALITY, 'MADE IN GERMANY'**

*WIKUS is the world market leader for sawing metal and Europe's largest manufacturer of band saw blades. Users from foundries and from the steel production/trade, machine/tool construction, aerospace, automotive, construction, energy and many more industries rely on the highly-efficient solutions by WIKUS.*

*Thanks to the best input materials, state-of-the-art production procedures and continuous quality inspections, the WIKUS-Sägenfabrik from the town of Spangenberg in North Hesse has guaranteed the highest of standards when producing high-tech band saw blades since 1958. At the same time, this family-run company sets product and technology trends in the market with its innovative prowess. In addition to the high-performance product program, WIKUS offers an extensive range of services tailored to the respective product. Partner companies and sales and service companies across the world offer competent and personal support on site.*
