

PRESSRELEASE

WIKUS expands the executive management of the corporate group

Spangenberg 29.03.2023:

Within the last decades WIKUS has been developed to an international company. This has been successfully accompanied by an active and continuous transformation process in the company's legal form and leadership structures.

To ensure the continuous assurance of corporate leadership, the shareholders of WIKUS-Sägenfabrik Wilhelm H. Kullmann GmbH & Co. KG have decided to expand the management of the company as of March 29, 2023.

Mr. Karsten Gutke will therefore be appointed as the third non-family CEO and will be responsible for the "Production and Maintenance" management area.

Mr. Gutke brings a variety of skills and competencies to the position, as he already has many years of experience in the field of production management in our company.

The Management Divisions are made up as follows:

Dr. Jörg H. Kullmann

Chief Executive Officer (CEO) / Chairman of the board
Management Division Technology

Michael Möller

Chief Executive Officer (CEO)
Management Division Group of companies and sales

Jörg Utech

Chief Executive Officer (CEO)
Management Division Finances and Resources

Karsten Gutke

Chief Executive Officer (CEO)
Management Division Production and Maintenance

With our new leadership structure, we will continue the successful development of our corporate group and remain a reliable partner by your side in facing the challenges of the future.

About WIKUS

WIKUS – TOP QUALITY “MADE IN GERMANY”

WIKUS is one of the world market leaders in metal sawing and Europe's largest band saw blade manufacturers. Customers from steel production/trading, foundries, machine/tool making, aerospace, automotive, construction, energy, and many other industries rely on WIKUS' highly efficient solutions. With the best input materials, state-of-the-art production procedures, and ongoing quality controls, the

WIKUS sawmill from Spangenberg in northern Hesse has been guaranteeing the highest standards in the production of high-tech band saw blades since 1958. At the same time, the family-run company creates considerable product and technology trends in the market thanks to its innovative prowess. In addition to its high-performance product range, WIKUS offers comprehensive service packages tailored to the respective product. Partner companies as well as sales and service companies worldwide offer competent, personal support on site.
